The Superintendent thinks that this scale, instead of recognising the services of the men already in Service prefixes on these. in so much as they does not give them any increase for 2 years. and requests that the order may be modified to correspond with his original suggestions viz to raise the pay of the Superior to Rs 80-10-120 & of the Storekeeper to Rs 40-5C The scales fixed in the Govt. order ref? to above does not seem to have been with reference to the recognition or otherwise of the services of the men now in service but with reference to the General principle & the necessities of the Department. of the Govt. with to recognise the services of the persons in emolents. it may be done so by giving them the periodical increments with retrospective

Mr The pay of the Supervisor and of the Store-Keeper has not been reduced as stated by Mr Yates. Only the minimum pay of these appointments was reduced & not the pay of the present incumbents of the appointments - The Supervisor was getting Rs 60 & he was started on this stage of the new graded appointment

Sanctioned. Similarly the Store-Keeper who was getting Rs 35 was started on Rs 36 which was the next stage of the graded appointment newly sanctioned. There is thus no reduction & no adverse reflection on their competency.

The Supt is also wrong in his statement that the 5 men whose services were dispensed with were dismissed. They were not dismissed. On the abolition of their appointments, notice of discharge was given to them & they were thrown out. They will get compensation pension under the rules if other appointments are not found for them. All these 5 men were reported to be superfluous & their services were therefore rightly dispensed with. Mr Hale does not say that their services have become necessary now.

Mr Yates has not made out a case for the retention of the 5 men whose services are to be dispensed with. The former order should remain in force. Steps should be taken to provide them with appts in other depts if possible.

Play N. 1. With reference to G.O. S.R. 13-05-6. of 29 th. March 1906 (to which the undersigned did not sooner reply owing to the retirement of the Dewan & Councillors on that date) has the honour to most respectfully request that the orders contained in the same may.if possible.be kindly reconsidered by the Government of His Highness the Maharaja.

A correspondence which had been exchanged between the Government and the Superintendent of Stamps before the undersigned's appointment to the Stamp factory,was handed to him soon after his joining;and his opinion was given in No. 75 D/21-10-05 and it agreed in the main with Mr.Gopaliengar's suggestions.

3. The undersigned ~~requests~~ regrets

that Government, in the order of March 29 th., already referred to, were pleased to reduce the Supervisor's salary from ₹60 to ₹50, to ultimately reach a maximum of ₹75 by ₹5. That is he will obtain his increase only after two years. The store-keeper was similarly dealt with: being reduced from ₹35 to ₹30 to be raised to ₹40 by ₹2-equivalent to a present increas of ₹1.

4 The undersigned respectfully submits that this order scarce-ly seems to meet the object that both the Superintendent Of Stamps and himself had in view, viz to recognise the services of these men in their responsible positions. The order, in fact, appears to reflect on them ; and it is on this point the undersigned most respectfully approaches Government with a view, if possible, to its being modified, and the original suggestions contained in order reconsidered.

5. With regard to the men who unfortunately are to be dismissed the undersigned begs to suggest a modification as follows:-

One Duffedar ----------	₹10 - 0 - 0
Two peons @ ₹8 each ----------	₹16 - 0 - 0

Proposed alteration of above.
